

Responsibility means showing you can be trusted with what is expected of you.

DAY
1

So Much

God has given us all many things and He wants us to take good care of what we have been given. Sometimes that means using them or sharing them with others. Take a little time to go on a scavenger hunt in your room and see if you can find something that maybe you haven't played with in a while or something that you would like to share with someone else. Let's show God that we can make the most of what we have!

Remember to do our best to make the most of what we've been given.

DAY
2

Don't Waste

God tells us that He wants us to make the most of what we have and that means taking good care of our things or sharing what we have been given. Have you ever thought about what it might look like if you don't do that? If we don't take care of our stuff or share what we have then we are wasting our time, our talents, and our things. And you know what else? You might miss out on fun ways that God can use you to care for the world around you. Let's pray and ask God for His help.

Dear God,

We want to show You that we are responsible with what You have given us. Help us to make the most of what we have so we don't miss out on fun ways You can use us to care for the world around us. Amen.

DAY
3

Make a Difference

In the story from this week, one man hid what he was given by his boss. Ask your family to reenact the story with you. Pretend you are the workers that used the money wisely and the worker that hid the money. Think of different ways you could use the money given to you. Once you're finished talk about what it felt like to be the wise workers and the unwise worker. God wants us to use the things He gives us to help make others happy and to make our world a better place.

Know that God wants us to use what we have to make a difference.

DAY
4

Share the Love

Have you ever tried to save your money to buy something that you really wanted? Instead of trying to earn money for something that you want, let's use it to make a difference in the world around us. Ask an adult to help you think of some place where you could either donate some of your toys or someone that might really need some money. This is a big way that you can show God that you are responsible with what you have been given!

Ask God to help you make a big difference to those around you!

Make the most of what you've been given.
