

Peace means proving you care more about each other than winning an argument.

What Is Peace?

When you think of the word peace what do you think of? Maybe you think of being quiet or still. Grab a piece of paper and doodle some drawings of things that you think of when you think of peace. Try and fill as much of the page as you can.

Here is how we're defining it this month: Peace is proving you care more about each other than winning an argument. Was that in your drawings? Probably not, but what a cool way to think about peace.

Ask God to help you understand what peace truly is this week.

Build a Bridge

This week, we learned that peace is proving you care more about each other than winning an argument. That means we try to build a bridge with a person instead of letting something come between us. That's exactly what God did by sending Jesus to die for our sins. The cross was the bridge between us and God! Ask an adult to help you find two pieces of masking tape. Find a window or mirror and make a cross with the tape. Let this cross be a reminder to you of the bridge that God created between us so that we can have peace and a relationship with Him.

Thank God for building a bridge!

Easter or Peace-ster

Have you ever thought about how Easter is a time for us to celebrate how God made peace with us? We see all throughout the Bible how God is always working to make peace with His creation. And, ultimately, God did this through Jesus, by sending Him to die for our sins so that we could have a relationship with Him. Find a quiet place and take a minute to thank God for the gift of peace that He gave us.

**Dear God,
Thank you for sending your Son, Jesus, to die for us so that we could have peace with you. We love you. Amen.**

God Made Peace

Ask an adult to help you look up Colossians 1:20 and read it together. Grab a highlighter and highlight the words, "God made peace." This verse tells us that God made peace with us through Jesus dying on the cross. What an amazing verse to remember during this season. Flip this page over and color it as you remember this!

Remember that God made peace with us!

God made peace with us.

God made

PEACE

with us.
